

# WHY SHOULD YOU JOIN

The Harvard Club  
of Long Island

## The HCLI creates a unique connection to a local alumni network

*Our diverse group of alumni create a great environment to join others in events and build relationships. Members have access to a member directory.*

## We offer events that include a variety of different interests for all members across Long Island

*Our events committee regularly reviews the calendar and includes a wide variety of events from speaker series, to networking events, as well as family- focused activities. This allows for members to have a choice of what they may want to be involved in. Below are a few examples the 40+ types of events we run throughout the year. Members can email suggestions for future events to: [hcliprogramming@gmail.com](mailto:hcliprogramming@gmail.com)*
